**Third Party Testing FAQ**

**THIRD PARTY TESTING** is required to support a certification of compliance to the rules shown below for children's products that are manufactured after the effective dates listed with each rule. The laboratories in this list have been accepted as accredited to test products to one or more of these children's product safety rules, as identified in the accreditation scope for each laboratory. A manufacturer of a children's product that must comply with one or more of these rules must support its certification of compliance with test results from one of these laboratories. -**CHECK THE:** [List of Accredited Testing Laboratories](#)
