01/25/2016 Terminal Status Update 1-25-16

In line with some of the other facilities in the Port, due to the significant amount of snow encountered during the storm, all Maher Terminal facilities, including the empty Depot at Columbia, will remain closed for truck gate operations, on Tuesday, 1/26/15, as we continue to work to clean the facilities. We expect to resume normal truck gate operations at 6am on Wednesday 1/27/15. In addition, similar to yesterday's burst we will be extending free-time by one more day for all imports except those that are already in demurrage. Thank You, Maher Terminals Mgmt.

01/24/2016 Terminal Status Winter Storm Update 1-24-15

In line with the earlier notification from the Port Authority regarding all NYNJ marine terminals, as a result of this weekend's blizzard, all Maher Terminals facilities, including the Empty Depot at Columbia, be will be closed for truck line activity on Monday, January 25, 2016. Maher Terminals expects to resume truck line activity at 0600 Tuesday January 26, 2016. In addition, we will be extending free time by one day on all import containers except for those that are already in demurrage. Containers already in demurrage will not be eligible for the one day extension. Thank you, Maher Management
