[CBP Announces the Electronic Visa Update System](#)

*U.S. Customs and Border Protection (CBP) this week announced the anticipated establishment of the **Electronic Visa Update System (EVUS)**, designed to enhance border security in accordance with the bilateral arrangement with China to issue 10-year validity tourist & business visas. As of November 2016, nationals of the PRC holding 10-year visas B1/B2, B1 and B2 visas will be required to update certain biographic information **online** - valid EVUS enrollment required **prior** to traveling to the United States. An EVUS enrollment is valid for two years or until the traveler obtains a new passport, whichever comes first.*

[Third Party Testing FAQ](#)

THIRD PARTY TESTING is required to support a certification of compliance to the rules shown below for children's products that are manufactured after the effective dates listed with each rule. The laboratories in this list have been accepted as accredited to test products to one or more of these children's product safety rules, as identified in the accreditation scope for each laboratory. A manufacturer of a children's product that must comply with one or more of these rules must support its certification of compliance with test results from one of these laboratories. -CHECK THE: [List of Accredited Testing Laboratories](#)
